

A Message from our Founder

Welcome to DanceTots!

It brings me so much joy to welcome you and your child into our dance family. DanceTots was created with a simple vision: to provide a warm, nurturing space where children can discover the joy of movement, build confidence, and feel proud of themselves.

For many children, their first dance class is a big moment. It may be their first time in a structured activity, their first time learning in a group setting, or even their first experience being away from a parent for a short time. At DanceTots, we understand how important these early experiences are, and we take great care to make every child feel safe, supported, and encouraged.

Our classes are designed to spark imagination, creativity, and a love of dance. While we introduce foundational dance skills, our focus is always on helping children develop confidence, coordination, musicality, and self-expression. Every smile, every new step, and every small achievement is something we celebrate.

Dance has the power to shape children in wonderful ways — teaching perseverance, teamwork, creativity, and self-belief. It is truly a privilege to be part of your child's journey as they grow, learn, and discover what they are capable of.

Thank you for trusting DanceTots with your child's dance experience. We are so excited to dance, learn, and create beautiful memories together.

With warmest wishes,

Founder & Director
